

INDUSTRY RESOURCES COVID-19

DLA Energy would like to help connect businesses with the COVID-19 response teams organized across the whole of government.

Please see the resources below for more information.

- Vendors with a product or service that can help in the fight against COVID-19 can visit FEMA'S "How-to-Help" page: <https://www.fema.gov/coronavirus/how-to-help>
⇒ This page links interested vendors directly to FEMA's standing request for quotations for personal protective equipment and medical supplies, and also has information for those wishing to offer other products or services.
- The DoD COVID-19 Joint Acquisition Task Force has launched a COVID-19 JATF Industry Portal to collect information from suppliers for goods and services to meet the urgent need for medical resources. The portal can be accessed through the link on the main COVID-19 JATF webpage: <https://www.acq.osd.mil/jatf.html>
- Vendors who have not done business with the DoD can reference the Defense Pricing and Contracting's "Contracting with the Department of Defense" step-by-step guide at: [https://www.acq.osd.mil/dpap/pacc/cc/docs/COVID-19/Contracting with DoD COVID-19 Memo and Attachment 3.27.2020.pdf](https://www.acq.osd.mil/dpap/pacc/cc/docs/COVID-19/Contracting_with_DoD_COVID-19_Memo_and_Attachment_3.27.2020.pdf)
